WATCH THIS SPACE!

Our developers are always squirrelling away behind the scenes, whether it be enhancing existing aspects of the software, streamlining processes, or developing brand new features and functionality. The last couple of months they have predominantly working on the latter, and we have some game changing functionality in the FINAL STAGES of testing at the moment. We will be letting you know all about these before the rest of the world, so keep an eye on your inbox over the next month!

Office Closures

The office will be closed on the following dates due to them being bank holidays:

- Friday 7th April
- Monday 10th April
- Monday 1st May
- Monday 8th May
- Monday 29th May

The support@morsolutions.co.uk email will be periodically checked on these days in case anything urgent comes up.

Sharing's Caring!

Don't forget about our "Refer a Friend" scheme. If you are an existing client, and you recommend us to someone who goes on to sign up to use SwimSoft Online or MOR Leisure, we will add a bundle of text messages to your account to say thank you!

DID YOU KNOW?

We have been running our series of "Did you know?" posts on social media for a couple of weeks, so wanted to check that they were being seen!

We have had a little break from them, but keep an eye out for more coming soon!!

Some feedback would be great... Are you finding these useful?
