

Privacy Policy

MOR Solutions Ltd is a software company providing, maintaining, and developing software in the leisure industry.

The information we hold about you is either from the public domain, or you have provided it to us in the process of enquiring about or ordering a product or service from us. This privacy policy explains how we use any personal information we collect about you.

MOR Solutions Ltd plays two roles with regard to data – we are the data controllers for the data we hold on organisations who we work with, and in turn, data processors for our clients.

Topics:

- What information do we collect about you?
- How will we use the information about you?
- Is client data shared with any third parties?
- How do we store your information?
- Marketing
- Access to your information and correction
- Other websites
- Changes to our privacy policy
- How to contact us

What information do we collect about you?

We collect information about you when you enquire about our software solutions or place an order with us for our products or services. We also collect information when you voluntarily complete customer surveys, provide feedback and participate in competitions. The data held may include contact details, organization information and notes made during correspondence between yourself and MOR Solutions Ltd.

How will we use the information about you?

We collect information about you to provide you with relevant information, process your order, manage your account and, if you agree, email you about other products and services that we offer that we think may be of interest to you. MOR Solutions Ltd will not sell, share or publicise your information for marketing purposes. In processing your order, we may send your details to, and use information from credit reference agencies and fraud prevention agencies.

Is client data shared with any third parties?

If using certain functionalities within the software provided by MOR Solutions Ltd, third parties may be involved in the processing of client data. This is detailed below, along with links to the privacy policies of the relevant organisations:

MOR Solutions Ltd enables clients to:

- store their data on our servers which are in turn hosted by a company called IONOS <https://www.ionos.co.uk/privacy-policy>
- collect fees by direct debit via Go Cardless – with whom you would have an account. <https://gocardless.com/privacy/>
- send text messages to clients via Text Anywhere. [Policies, Privacy Policy | TextAnywhere](#)

- send emails to clients via SMTP2GO – with whom you have account with.
<https://www.smtp2go.com/blog/security-and-privacy-at-smtp2go/>
- collect payments by card via PayPal Business – with whom you would have an account.
<https://www.paypal.com/uk/webapps/mpp/ua/privacy-full>

How do we store and protect your information?

All our information is held on a password-protected database, on a password-protected server, all of which can only be accessed by key MOR Solutions Ltd personnel through password-protected accounts.

Marketing

We would like to send you information about products and services of ours which may be of interest to you. If you have consented to receive marketing, you may opt-out at a later date. You have a right at any time to stop us from contacting you for marketing purposes. If you no longer wish to be contacted for marketing purposes, please contact us in writing, using the details provided below.

Access to your information and correction

You have the right to request a copy of the information that we hold about you. If you would like a copy of some or all of your personal information, please email or write to us at the address detailed below. We want to make sure that your personal information is accurate and up to date. You may ask us to correct or remove information you think is inaccurate.

Other websites

Our website may contain links to other websites. This privacy policy only applies to MOR Solutions Ltd, so when you link to other websites you should read the relevant privacy policies.

Changes to our privacy policy

We keep our privacy policy under regular review, and we will place any updates on this web page. This privacy policy was last updated on the 17th of November 2022.
